# Quick Reference Manual 5459/5460    CASIO®

Congratulations upon your selection of this CASIO watch.

Bluetooth® is a registered trademark or trademark of Bluetooth SIG, Inc. of the United States.

Your watch has a Mobile Link function that allows it to communicate with a Bluetooth® SMART mobile phone and adjust its time settings to match those of the mobile phone.
• This product complies with or has received approval under radio laws in various countries and geographic areas. Use of this product in an area where it does not conform to or where it has not been approved under applicable radio laws may be punishable under local laws. For details, visit http://world.casio.com/ce/BLE/.
• Use of this product inside of an aircraft is restricted by the aviation laws of each country. Be sure to obey instructions provided by flight personnel concerning use of devices such as this product.

For the user's guide of this watch, go to the website below and select your language for your watch model (SHB-100 or SHB-200).

## Using the Watch

### Charging
**Remove the watch from your wrist and place it in a brightly lit area.**
• The watch may become hot when exposed to light for charging. Take care to avoid burn injury.
• Avoid charging in locations where it is very hot.

### Power Saving
• Leaving the watch in a dark location for about one week will cause all hands to stop at 12 o'clock.
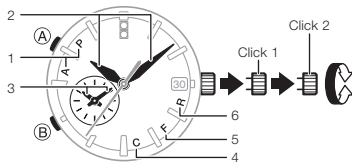

### Battery Alerts
• Low Battery
  Second hand jumps every two seconds (Low Battery Alert).
• Dead Battery
  All hands stopped at 12 o'clock.

### Watch Operations
You can view the current time in your Home City and in one more time zone.
