Setting Manual of Music Sequence Data for XW-PD1

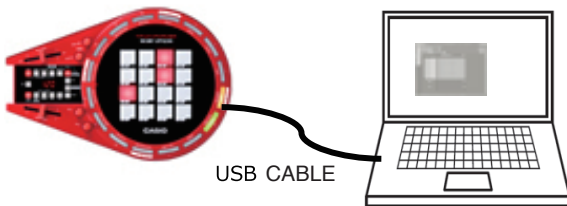

1. Download the Music Sequence Set data.

[Download data]

Windows: DreamTeam_data.zip

Macintosh: DreamTeam_data.dmg

2. Connect your computer that has been installed TRACKFORMER STUDIO and XW-PD1 by USB cable.

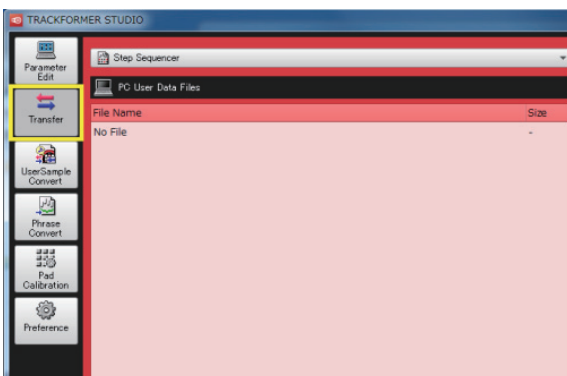

3. Connect the AC adaptor for XW-PD1, and turn on the power it.

4. Start the TRACKFORMER STUDIO.

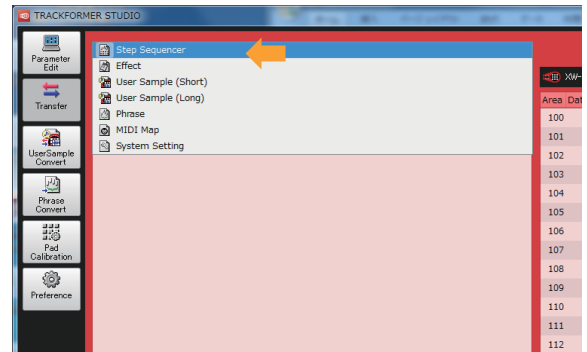

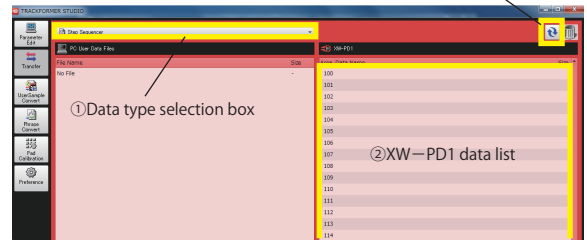

※If you could see <disconnected>, TRACKFORMER STUDIO does not recognize the XW-PD1.
→Check if the XW-PD1 is connected and turned on.

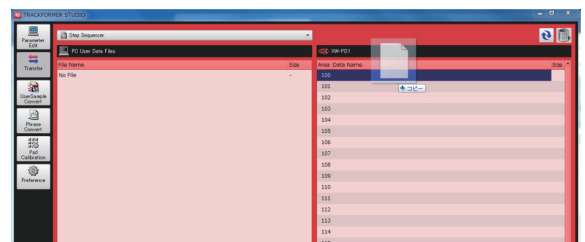

5. Select "Transfer".

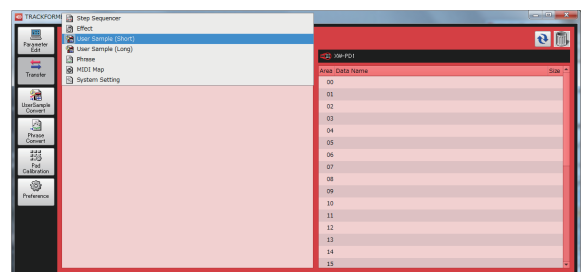

6. Click "Data type selection box" (1) and select "Step Sequencer". (3)Reload button

7. Drag and drop the downloaded data file (DreamTeam.ZSS) to "XW-PD1 data list" (2).

8. Click "Data type selection box" (1) and select "User Sample (Short)". And assign the each ZWT file to the following area number.

NOTE :

In the case of using these data, if you already have put some file to the area#00 to #23 in User Sample, please move to the other numbers and adjust it.

◆ "1_Backtrack" folder (8 file)

file name	User Sample Area#
Backtrack_01.ZWT	00
Backtrack_02.ZWT	01
Backtrack_03.ZWT	02
Backtrack_04.ZWT	03
Backtrack_05.ZWT	04
Backtrack_06.ZWT	05
Backtrack_07.ZWT	06
Backtrack_08.ZWT	07

◆ "2_Rap" folder (8 file)

file name	User Sample Area#
Rap_01.ZWT	08
Rap_02.ZWT	09
Rap_03.ZWT	10
Rap_04.ZWT	11
Rap_05.ZWT	12
Rap_06.ZWT	13
Rap_07.ZWT	14
Rap_08.ZWT	15

◆ "3_Word" folder (8 file)

file name	User Sample Area#
Word_01.ZWT	16
Word_02.ZWT	17
Word_03.ZWT	18
Word_04.ZWT	19
Word_05.ZWT	20
Word_06.ZWT	21
Word_07.ZWT	22
Word_08.ZWT	23

9. Click "Reload button" (③), and update it.

10. Check the updated sequence data.

- (1) Select the updated sequence number by pressing "SEQ button" and "pad 11(-) or pad 12(+)" (or press the "SEQ button" and pads #1 through #10(0) to input the value) on the XW-PD1.
- (2) Press "PLAY button".

example

- BANK3
PAD1 ~ 8 : Backtrack ("Backtrack folder" data)
- BANK4
Melody Sound: flute

[Dream Team]

Yesterday I had an interesting **dream**
I was feeding some tigers a box of ice **cream**
Then out of nowhere my school' s soccer **team**
came hollering and shouting and making quite a **scene**
I told 'em, "Hush hush! Don' t scare the tigers away!"
This kinda thing doesn' t seem to happen **everyday!**"
But much to my surprise I heard a tiger **say,**
"Wassup, wassup ya' !!! Get out your ball, let' s **play!**"

<Select the BANK>

Press the BANK selector button.
After lighting the BANK button,
press the sequence step key (1~4)
that you want to use the BANK
number.

Bank number

<Example for playing>

- Put effects on Rap sound.
- Put effects on the music sequence.
- Mute the Word in BANK1 and BANK2 by pressing FUNCTION and MUTE button, tap and play the vocal.
- Rearrange the backtrack in real time, and play.
- Play by flute sound in BANK4
